3.

Comment. Probably units of the 25th Tank Div who moved to Templin, where elements of the division, since mid-January 1953, probably continually have been engaged in advanced combat practice firing.

25X1

4.

Comment. Beginning as early as mid-January 1953, units of the 207th Mtz Rifle Div continually engaged in small-scale exercises, possibly advanced combat firing practices, probably in the northern part of Letzling Heath.

25X1

Comment. the columns observed probably belonged to the division, with the 160-mm mortars and the 122-mm howitzers presumably belonging to the 693d How Arty Regt of the division.
